Appliance & Plumbing Fixture Wholesalers with Showrooms:

If you just want to browse around go to the closest showroom. If you need help and information, you must make an appointment to see someone, or you could be very disappointed with the service you get by just walking in. Their on line sites offer little help. Since Pacific Sales was bought by Best Buy and Standards of Excellence by Sears, great pricing has been harder to find. I suggest you go to the closest showrooms, to pick out what you want, then we should get price quotes from all of them. Picking the best package deal.

Links to appliance and plumbing fixture manufactures are on my web site www.DNDB.info Under the Resources tab on the menu tabs select either Appliance Mfg. Links or Plumbing Mfg. Links to view the manufacturer web sites for the materials most often used by my clients. These manufacturer web sites have very good pictures and descriptions of all the items they sell.
